PROFESSIONAL SUMMARY

Software developer based in Cape Town, South Africa, committed to delivering high-quality solutions and working effectively within collaborative team environments. Dedicated to continuous learning and professional growth, with strong problem-solving skills and the ability to adapt quickly to new technologies and project requirements.

WORK EXPERIENCE

Aug 2024 - Jul 2025

ABSA | South Africa, Cape Town

Full Stack Developer Intern (Remote)

Work Summary:

- I worked in close collaboration with a Senior Developer on internal web applications for ABSA's internal clients, undertaking assigned tasks with clearly defined deadlines within ongoing projects. This role provided extensive experience with Angular, TypeScript, C#, and TailwindCSS, all performed under professional supervision.

Feb 2024 - Jul 2024

CapaCiTi | South Africa, Cape Town

Full Stack Developer Intern (On-site)

Work Summary:

- I worked on collaborative, deadline-driven projects that simulated real-world software development environments. Each project had specific objectives and required close teamwork, from planning through to implementation. Throughout these, I applied and developed my skills in Python, JavaScript, ReactJS, HTML, CSS, and Firebase Realtime Database, gaining practical experience in both front-end and back-end development as well as effective team communication.

EDUCATION

2021 - 2023 → Diploma in Software Development

IIE ROSEBANK COLLEGE

- SQL, C#, Kotlin (Android Studio), HTML, CSS, Java, JavaScript, ASP.NET

2019 → Matric

RYLANDS HIGH SCHOOL

- English, Afrikaans, Math, Information Technology, Physical Science, Life Science

SKILLS

- Project Management
- Teamwork
- Time Management
- Effective Communication
- Critical Thinking
